Dear Friends,

For 154 years, we have been producing only the finest natural products. All of us at The Watkins Company want to extend our heartfelt thanks for putting your trust in us. Just as our founder J.R. Thank you again for being a part of this 154 year old tradition.

Edible Funfetti Cookie Dough

Delicious, safe to eat funfetti cookie dough! This edible cookie dough is flavored with delicious vanilla extract and filled with fun rainbow sprinkles!

- 1-3/4 cups/430 mL all purpose flour (heat treated)*
- 3/4 cup/180 mL (1-1/2 sticks) unsalted butter, room temperature
- 1 cup/250 mL sugar
- 1/2 tsp/2.5 mL salt
- 1 tbsp/15 mL **Watkins Organic Original Gourmet Baking Vanilla**®
- 1 tsp/5 mL milk (to preference)
- 1/2 cup/125 mL **Watkins Rainbow Decorating Sprinkles**

*Heat-treat the flour either in the oven or the microwave and then let cool.

Oven: Preheat to 350°F/180°C. Measure flour into a small/medium pan and bake for 9-12 minutes or until it reaches a temperature of 160°F/71°C.

Microwave: Measure flour into a microwave-safe bowl and heat for 1 minute. Check the temperature with a thermometer. Continue heating in 15 second intervals until it reaches 160°F/71°C.

In a large mixing bowl, cream together the butter, sugar, salt, and vanilla until light and fluffy (about 2 minutes).

If the heat-treated flour is clumpy, break it up with the back of a spoon. Then, sift it into the mixing bowl and mix well. Mix in the milk and add more until the dough is the texture you prefer.

Lastly, mix in the sprinkles. Store the edible funfetti cookie dough in the refrigerator for up to 1 week. Let it soften at room temperature before eating.

Tips:

- Nonpareils or decorating sugar is not recommended for this recipe, as the colors tend to bleed into the dough.
- This edible cookie dough can be added to other desserts like cakes, brownies and ice cream. Have fun with it!
- Feel free to mix other treats into this dough. (mini white chocolate chips, chocolate chunks, etc.)

Watkins Grilled Maple-Glazed Pork Chops

Bringing classic bold flavors to your plate (and grill!) This marinade adds authentic flavor and a savory history to pork chops...or any recipe!

4-6 thick-cut pork chops, bone in or boneless

For the marinade and glaze 2 packages Watkins Organic Grilling Spiced Maple Marinade

- 1/2 cup/125 mL cooking oil
- 1/4 cup/60 mL honey
- 4 tbsp/60 mL water
- 3 tbsp/45 mL white vinegar

In a small mixing bowl, whisk together all marinade ingredients. Divide equally and set aside half the mixture at room temperature.

Place pork chops in a zip-top bag and cover with the remaining half of the marinade. Remove as much air as possible from the bag, massage marinade into meat, and place on a plate to prevent leaks. Place chops in refrigerator for 30 minutes or up to 4 hours.

Light your grill and set up for two-zone cooking. Establish grill temperature between 225°F/107°C and 250°F/121°C.

Remove pork chops from the bag, and discard any marinade that has touched the pork. Place chops on your preheated grill over indirect heat. Close lid and allow pork chops to cook until internal temperature reaches 130°F/54°C. Remove pork from grill and stoke coals to create high direct heat.

Place pork chops over high direct heat, flipping every 20-30 seconds in order to create a perfect crust. Remove pork chops from the grill when they are five degrees less than desired eating temperature.

Brush hot pork chops with warm marinade that was set aside, and allow them to rest for 5 minutes.

Plate pork chops and drizzle with remaining marinade, as desired, for serving.

Spice it Up!

Adobo Seasoning - An all-purpose blend often found in Latin dishes. It combines salt, paprika, garlic and onion with lemon and turmeric to elevate any dish. Use in your favorite recipe or keep tableside for added flavor. Rub on meats before grilling, add to oil or vinegar to create a marinade or sprinkle on vegetables.

Chai Powder - With a taste originating in India, this traditional blend of cinnamon, black tea and vanilla lends a warm, spicy flavor to hot milk or tea, but has many uses beyond that. Try it in pancake batter, oatmeal, ice cream or cookie dough.

Everything Bagel Sesame Seasoning Blend This checks off all the senses: colorful, aromatic, crunchy and textured. Sprinkle on salads, eggs and toast. Use as a topper for cucumbers, green beans, cottage cheese. Perfect to mix into dips or anywhere you want extra flavor and crunch.

Garam Masala Blend - This blend layers heat with nutmeg and cinnamon for a robust flavor. Traditionally used in Indian cuisine, it is perfect for everything from a meat rub to curries.

Harissa Seasoning - This bold smoky and sweet blend originates from North Africa and is traditionally found in Middle Eastern cuisine. It combines the heat of ancho chili powder with the savory notes of cumin and paprika. Add to stews, rub on meats or add to hummus.

IPA Seasoning - Not too sweet and just a bit spicy. This is an all-purpose seasoning with the classic hops and citrus flavors of an Indian Pale Ale. Bright notes of lemon and orange blend with savory garlic and onion to bring a flavor that is perfect for grilling chicken, beef, or pork.

Vanilla Powder - Bring a sweet touch to your favorite hot beverage or dessert with this flavorful powder. Our blend of vanilla beans and sugar is perfect for coffee, tea, warm milk or milkshakes.

Za'atar Seasoning - This combines spices, sumac, sesame seed and salt for a layered and savory flavor. Top hummus, add to olive oil, use as a dry rub for chicken, or use anywhere for extra flavor.

Consider Starting Your Own Watkins Home Business

"By committing to a simple rule, using the products yourself and telling the Watkins story when it's appropriate, we have enjoyed the freedom of working together from our home; traveled to wonderful places; made friends all over the U.S. and Canada; had our part-time business idea become our primary income and, most importantly, felt the joy of knowing that we have also been able to help make positive differences in the lives of many others."

- Barb & Clem Birch
Independent Watkins Executives

"As an emergency ICU nurse, I was always at my employer's beck and call. Now I control my income and when and where I work. I've been able to provide for my three daughters over the last 25 years and be there for all their big events. I love helping others achieve their goals and dreams by using and sharing Watkins products. It truly is what makes Watkins so special, as this is a doable business for anyone who wants it badly enough."

- Dawn Thompson
Independent Watkins Executive

"The Watkins home business is unmatched. Besides enjoying great products, it's also about having fun, helping friends, creating wealth, and reaching dreams. My efforts allowed me to be a work-from-home dad. From the time my daughter was born—she never had to go to daycare or after-school babysitters. Now she's in college and I have the flexibility to work on my hobbies while I earn income from my Watkins business. Talk to the person who gave you this catalog about reaching your dreams too."
